

Put your merchant fees to work,  
**building your wealth!**

**This is the payment processor that gives back to the merchant!**

- ✓ Build wealth assets with every payment you process in your business.
- ✓ Painlessly build wealth by turning your payment processing liability into an asset.
- ✓ Maximize the advantages of pre-tax income to get the most from your contributions.
- ✓ Gain access to a suite of innovative and powerful financial tools like the exclusive fraud-proof, XPay platform.

**EASY**

After analysis of your current processing and due to Platinum-Age low rates, you may participate with little to no increase in your merchant fees.

Besides your typical, standard processing and trust agreements, a \$250 setup fee puts you on the path to building true wealth with your processing fees!

**FLEXIBLE**

You decide how much or how little you want to contribute as a percentage of your processing fees or a steady monthly payment.

Whichever you choose, you can change the amount quarterly. Increase the amount during high volume months or scale it back in the off season. It's up to you!

**SECURE**

Facilitated by a fully chartered Swedish Banc & Trust Co. with authority to accept deposits from any country, in any currency, and issue and hold any asset, anywhere in the world.

This unique and powerful trust along with foreign asset protection laws make this the new Gold Standard of investment vehicles in the modern, borderless world.
